Many of the rock plants listed below are
suitable for perennial gardens.

ROCK PLANTS

	Each	Per 10
ACHILLEA		
argentea , white flowers, silvery leaves; July30	2.40
tomentosa , bright yellow, dwarf: June-July30	2.40
ACONITUM		
fischeri , dark blue flowers, dense spikes: Autumn40	
AETHIONEMA		
schistosum , bushy habit, rose flowers in spikes50	4.50
ALYSSUM		
alpestre , almost shrubby var- iety, flowers pale yellow, in unbranched heads, very early40	
argentum , yellow flowers, sil- very foliage: May-Aug.35	3.00
saxatile citrinum , masses of pale yellow: May-July30	2.50
s. compactum , yellow, dwarf and compact: Apr.- July ..	.30	2.50
ANEMONE		
globosa , rosy red blossoms: spring40	3.50
pulsatilla , rich purple flowers: April-May35	3.00
p. rubra , deep red-purple flow- ers: April-May35	3.00
ANTENNARIA		
rhodanthe , pink pussy toes: spring35	

AQUILEGIA

Each Per 10

coerulea, soft lavender blue and creamy white, with long spurs: June30	
flabellata, white flowered species: May-June30	
g'andulosa, pale blue flowers, white center: May-June30	

ARABIS

albida flore pleno, pure white double spikes: April-August	.35	
alpina, white, early bloomer: May-June30	2.50
aubrietieoide, pretty rose pink flowers: April-May35	
muralis rosea, new rosy pink form: May-June30	
procurrens, dwarf spreader, flowers white on long stems	.35	

ARENARIA

balearica, close turf-like habit, flowers small white35	3.00
montana grandiflora, rock cover- ing plant, with large white flowers: April-July35	3.00
verna, white flowers, forms green carpet30	2.50

ARMERIA

lauchiana, crimson flowers, dwarf habit: May-Aug.35	3.00
maritima, light pink, dwarf habit: June-August30	2.50
splendens, pale pink flowers: May-July35	3.00

	Each	Per 10
ASARUM		
europaeum, glossy green foliage30	
ASTER		
alpina, blue tufted habit, very showy: May-July30	
a. dark beauty, dark blue or purple flowers: June30	
a. Farreri, rich violet, orange center: July-September35	
a. Goliath, dark blue or purple flowers: July35	
a. sub-caerulea, large lilac blue flowers, dwarfish habit: June-July35	
AUBRIETIA		
In 6 varieties and colors ..	.30	2.50
BELLIS		
rotundifolia caerulescens, lavender flowers, single daisy: summer35	3.00
BELLIUM		
minutium, small flowered alpine daisy: summer30	2.50
CAMPANULA		
abetina, purple-red, vase shaped flowers, very fine: summer35	
barbata, pale porcelain blue: summer35	
carpatica, compact tufts of blue flowers: May-August30	
c. alba, white flowers: May-August30	
garganic, solid mass of clear lavender blue stars: June ..	.35	3.00

	Each	Per 10
<i>g. alba</i> , mass of white flowers: June35	
<i>g. hirsuta</i> a velvety leaved form with much paler flow- ers35	
<i>pusilla alba</i> , pure white, very dwarf: June-Sept.35	
<i>rotundifolia</i> , (Harebelle) pale blue flowers: June-Sept. ..	.30	
<i>r. alba</i> , white30	
CERASTIUM		
<i>tomentosum</i> , snow in summer	.30	
DIANTHUS		
Annie Laurie, pink flowers with red wine eye: summer	.40	
<i>arenarius</i> , pale purple flowers, fringed: May-June30	
<i>arvensis</i> , pink flowers, grey foliage: May-June40	
<i>cacausius</i> , lavender blue flow- ers: May-June35	
<i>caesius</i> , pink flowers: May- June35	
<i>c. fl. pl.</i> , bright double pink flowers: May-June40	
<i>carthusianorum</i> , lovely shades of bright rosy crimson flow- ers: July30	2.50
E. A. Bowles, a darker form: June-July30	
Lindy (new), deep pink flow- ers, similar to Annie Laurie but richer color: June-July	.50	
DIANTHUS		
Major Sterns, variety, crimson flowers, dark brown foliage June-July30	

	Each	Per 10
neglectus , rosy color, beautiful species: June-Sept.30	
superbus , lilac flowers, very fragrant: May June30	
s. nana , lilac flowers, dwarf habit: May-June30	
DORONICUM		
excelsum , handsome large yellow blossoms on stems of 2 feet50	4.50
DRABA		
repens , creeping habit, masses of small yellow flowers40	
EPIMEDIUM		
alpinum , crimson flowers: spring50	4.50
ERIGERON		
caucasicus , violet ray, drawfish habit40	
ERINUS		
alpinus , dense tufts of rosy-purple flowers: May-July ..	.35	
a. alba , pure white flowers, compact: May-July35	
a. carmineus , bright red variety, fine in clumps: May-July ..	.35	
ERYSIMUM		
pumilum , very dwarf alpine species, large yellow flowers: May-June35	
FESTUCA		
glauca , neat glaucous-blue foliage grass30	2.50

	Each	Per 10
FUNKIA		
<i>variegata</i> , lilac, very lovely: July-August30	
GENTIANA		
<i>acaulis</i> , intense blue flowers, bell-shaped: March-Sept.. ..	1.00	
<i>cruciata</i> , deep blue, flowering in clusters50	
<i>lagodechiana</i> , large blue clus- tered flowers are speckled internally with tiny white spots: July-Sept.	1.25	
GYPHOPHILA		
<i>cerastioides</i> , white flowers pretty dwarf alpine: June- August35	
<i>fratensis</i> , compact form with pinkish-white flowers40	
<i>libanotica</i> , pink flowers, dwarf trailing40	
<i>repens</i> , white flowers, trailer good rock plant: June-Sept.35	
<i>r. rosea</i> , pink or rose variety: June-August	30	
HELIANTHEUM		
In 6 varieties30	2.50
HELICHRYSUM		
<i>lanatum</i> , yellow flowers, silver foliage	4.0	
HEUCHERA		
<i>sanguinea</i> , scarlet or crimson flowers, very graceful: June- August35	
HYPERICUM		
<i>fragile</i> , bright yellow, neat compact habit: June-Aug.50	

	Each	Per 10
<i>olympicum</i> , one of the finest, compact bushes, large golden flowers: Aug.-Sept.40	
<i>polyphyllum</i> , spreading, yellow flowers in abundance: June- August40	
<i>repens</i> , heath-like foliage, gold- en flowers, creeping habit: Aug.-Sept.40	
IBERIS		
<i>gibraltarica</i> , large purple and white flowers: May-June30	
<i>sempervirens</i> , white flowers, evergreen habit: April-June	.30	
<i>s. little gem</i> , fine dwarf var- iety with white flowers ..	.30	
<i>tenoreana</i> , white changing to purple, very pretty30	
IRIS		
<i>cristata</i> , lavender-blue flowers, dwarf habit, fine for rock garden: May30	2.50
<i>gracilipes</i> , small lavender-blue flowers, grassy foliage50	
<i>pumila</i> , reddish maroon, early bloomer30	2.50
JASIONE		
<i>perennis</i> , blue, scabious like ha- bit: June-August30	2.50
LAVENDULA		
<i>vera</i> , true lavender, very fra- grant35	3.00
LEONTOPODIUM		
<i>alpinum</i> , blue flowers, spread- ing habit: June-Aug.40	

	Each	Per 10
LINARIA		
alpina rosea, rosy-purple, orange palate, distinct and pretty30	
repens, unique and pretty, pale purple30	
LINUM		
perenne, beautiful blue flow- ers: summer30	
LYCHNIS		
alpina, bright rose flowers: May-June35	3.00
a. albus, neat white-flowered form35	
lagascae, masses of rosy flow- ers, very showy: summer ..	.35	3.00
viscaria splendens fl. pl., rosy crimson, double flowers: June-Sept.35	3.00
MENTHA		
requieni minature creeping plant, peppermint scented	.35	3.00
OENOTHERA		
fraseri, beautiful yellow: June- Sept.30	2.50
speciosa, large white fragrant flowers: June-Sept.35	3.00
OPUNTIA		
missouriensis, (cactus) yellow flowers, perfectly hardy40
PAPAVER		
alpina, rare form of Alpine Poppy, attractive fringed flowers, red, rose, and yel- low shades: summer35.	3.00

	Each	Per 10
excelsior strain, iceland poppy, mixed colors30	2.50
harkness strain, iceland poppy, lovely mixture of new colors and shades: summer30	2.50
PENSTEMON		
pygmaeus, clear blue with white lower lip, very dwarf habit, good for rockery35
PHLOX		
amoena, pink, in lovely mass- es: April-May30	2.50
apple blossom, light pink flow- ers of a beautiful shade30
divaricata, lilac mauve: May- July30
procumbens caeruleous, lilac flows with violet marks near the eye: summer35
subulata alba, white flowers, very pretty30	2.50
s. rosea, pink with dark eye ..	.30	2.50
s. G. F. Wilson, soft laven- der (true) Apr.-June30
vivid, rosy-carmine, with crim- son centre: Apr.-June50	4.00
PHYTEUMA		
wagneri, blue heads, dwarf and compact40	3.50
PRIMULA		
auricula, all shades, true al- pine species35	3.00
capitata, deep purple, leaves whitish underneath: August- September50	4.50

Each Per 10

denticulata, pale violet, neat hardy species: March-Apr. .	.35	3.00
d. alba, pure white, lovely variety: April-May35	3.00
florindae, butter-yellow flow- ers, spikes 3 feet high40
munstead strain, yellow shades	.35
primrose, mixed varieties40

SANTOLINA

icana, small yellow flowers, silver-grey foliage: June- August30	3.00
--	-----	------

SOPONARIA

ocymoides, trailing perennial, bright rose: May-Sept.35
o. alba, white flowers: May- September35

SAXIFRAGA

aizoon, white, compact silvery rosettes: May-July40	3.50
a, rosea, rose50
cohlearis, compact, cushion of silver leaves and white flow- ers: June-July40	
cotyledon, small white flowers, in large pyramidal panicles	.40	3.50
c. pyramidalis, broad-leaved rosettes, spires of pure white flowers40	3.50
decipiens, white flowers, green mossy foliage: Apr.-May ..	.35	3.00

Each Per 10

SAXIFRAGA

<i>densa</i> , white flowers, dwarf form of aizoon40	
<i>Elizabethae</i> , lovely hybrid with sulphur-yellow flowers, Apr.- May50
<i>flavescens</i> , hybrid with beauti- ful yellow blossoms40	
<i>gaudinii</i> , large leathery rosettes often tinged with red, and sprays of pink spotted flow- ers40	
<i>lantoscana</i> , iron-grey leaves with silvery-white edging, spikes of white flowers50
<i>macnabiana</i> , white spotted car- mine, fine spikes: June-July	.35	3.00
<i>Sir Douglas Haig</i> , brilliant dark red mossy40	3.50
<i>umbrosa</i> (London Pride) pink flowers: May-June40

SCABIOSA

<i>graminifolia</i> , alpine specie, grass-like foliage and laven- der flowers: Aug.-Sept.50
---	-----	-------

SEDUM

<i>acre minor</i> , yellow flowers, dense, green: May-July25	2.20
<i>a. major</i> , beautiful yellow flowers35	3.00
<i>album</i> , tufted. evergreen habit, white flowers: June25	2.20

Each Per 10

a. brevifolium , completely covered with white flowers35	3.00
anglicum , soft pink star-like flowers (true) June-July ..	.30	2.50
a. glaucum , pink flowers, with blue foliage30	2.50
anopetalum , assumes in full sun bronzy or purple tints, flowers of pale yellow35	3.00
arboreum , soft cream flowers, shrubby habit35	3.00
brilliant , pink flowers, very pretty30	2.50
charowana , dwarf, carpenter ..	.40	3.50
dasyphyllum , white flowers, small fine foliage: June-July35	3.00
divergens , yellow flowers, foliage like album35	3.00
Edinboro , reddish brown, dark green foliage35	3.00
ewersii , purplish-lilac gray foliage, free flowering: June-July30	2.50
e. homaphyllum , blue - grey leaves, large heads of bright purple flowers, almost shrubby		
exifideum , yellow flowers, low grown35	3.00
fosteranium , bluish-grey foliage, turning brown-red in the fall30	2.50

Each Per 10

<i>gracile</i> , white flowers, very dwarf form35	3.00
<i>hispanicum</i> , tiny growths, pink flowers35.	3.00
<i>kamtschaticum</i> , yellow flowers, brown center, trailing habit: June-July30	2.50

SEDUM

<i>linearis variegatum</i> , upright bit, foliage green and grey	.40	3.50
<i>lydium</i> , light rose, foliage turning red in fall30	2.50
<i>maximum variegata</i> , gold and green foliage40	3.50
<i>montanum</i> , deep green foliage, fine rock species30	2.50
<i>murale</i> , a very pretty form of the type, with little sausage-shaped leaves35	3.00
<i>nevii</i> , pale green rosettes in loose mats, rare little plant35	3.00
<i>nicaense</i> , greenish-yellow flowers, shrubby habit: autumn	.35	3.00
<i>obtusatum</i> , bronze foliage, yellow flowers35	3.00
<i>oppositifolia</i> , white flowers, bright green foliage35	3.00
<i>oregonum</i> , paddle-shaped leaves, with bright golden flowers .	.35	3.00

	Each	Per 10
populifolium, a good variety, tree-like, uncommon and sweetly scented40	
pulchellum, purple shades, star shaped35	3.00
reflexum, yellow, evergreen foliage: June-July35	3.00
repestre, yellow, small glauc- ous leaves: June-July35	3.00
sexangulare, bright yellow on trailing stems: June-July ..	.35	3.00
sieboldi, pinkish flowers, glauc- ous foliage: August35	3.00
spathulifolium, yellow, grey rosettes: June-July35	3.00
spurium coccineum, reddish- purple, pretty late bloomer	.35	3.00
stenopetlum, a low compact variety, bright yellow flow- ers turning bronze in au- tumn35	3.00
ternatum, white flowers, ever- green foliage, erect habit. ..	.30	2.50

SEMPERVIVUM

arachnoideum, cob-web house leek30	2.50
cornutum, green leaved var- iety25	2.20
frimbriatum, very beautiful variety25	2.20
globiferum, globe shaped, hen and chickens25	2.20

	Each	Per 10
Pittonii, pretty Balkan species	.30	2.50
rubicundum hybridum, bronze tinted leaves30	2.50
tectorium, old fashioned English house leek25	2.20

SILENE

acaulis, bright pink, in dense cushions: Apr.-June35	3.00
alpestris, glistening white. May-July35	3.00
Elizabethae, pink flowers, tufted habit35	3.00
schafta, rose-colored, forming dense mats: July-August ..	.35	3.00

TEUCRIUM

chamaedrys, pink, green cut leaf foliage: autumn30	2.50
--	-----	------

THALICTRUM

adiantifolium, graceful maidenhair fern like foliage, small yellow flowers30	2.50
--	-----	------

THYMUS

argentea, silvery foliage35	3.00
aureus, golden foliage35	3.00
odoratus, sub-shrubby, good for rock covering35	3.00
serpyllum, purple, creeping habit35	3.00

Each Per 10

s. alba, pure white flowers, creeping35	3.00
--	-----	------

s. coccineus, bright red, creep- ing35	3.00
---	-----	------

TUNICA

saxifraga, small pale purple, dwarf habit30	2.50
--	-----	------

VERONICA

corymbosa stricta, dense plume of azure-blue flowers40	3.50
---	-----	------

pectinata, deep blue flowers, dwarf35	3.00
--	-----	------

repens, compact tufts of blue flowers35	3.00
--	-----	------

rupestris, lovely blue flowers, splendid rock plant35	3.00
--	-----	------

r. alba, white flowers35	3.00
------------------------------	-----	------

r. blue, blue flowers35	3.00
-----------------------------	-----	------

r. nana, intense blue, dwarf ..	3.5	3.00
---------------------------------	-----	------

r. rosea, pink variety35	3.00
------------------------------	-----	------

VIOLA

arkwright ruby, rich wallflower- red flowers50
---	-----	-------

atropurpurea, rich deep violet	.30	2.50
--------------------------------	-----	------

bosniaca, rose-magenta flow- ers, very pretty35	3.00
--	-----	------

florariensis, small blue violets, blooms continuously40	3.50
--	-----	------

	Each	Per 10
<i>gracilis</i> , rich violet flowers, tufted habit35	3.00
Jersey gem , royal purple, bloom- ing from late spring to late fall35	3.00
king of blacks , dark variety with yellow eye40
<i>odorata</i> , one of the most fra- grant, with small violet flow- ers, spreading habit40	3.50
<i>pedata</i> , bird's-foot violet30	2.50
<i>p. bicolor</i> , two-color bird's foot violet, velvety light blue and purple, rare species	.40

We have many other varieties in addition to plants catalogued, some new and rare, but of these we have only a limited stock.

AZALEA

Ghent hybrids

2 feet 3.00

kaempferi (Torch Azalea)

18 inches 3.00

Louisa Hunnewell

15-18 inches 6.00

2 feet 7.00

COTONEASTER

In variety50 and .75

EUONYMUS

carrieri (Glossy Wintercreeper)

2 years50 4.50

	Each	Per 10
vegetus (Bigleaf Wintercreeper)		
2 years50	4.50

FERNS (hardy)

Aspidiums	1.00	9.00
Lastrea	1.00	9.00
Scolopendium	1.00	9.00

A fine collection of European ferns, crested varieties, curious and interesting forms, for a cosy, shady nook.

HEATHER

calluna vulgaris50	4.50
c. v. alba50	4.50
c. compacta50	4.50

The Horticulture Garden Magazine said of our spring exhibit, in Boston, "The President's Cup, offered for cultural excellence, was won by Stoughton Nurseries with a rock garden, containing the finest quality plants one could desire."

At the Brockton Fair in 1929 we received first prize, special silver cup and the Massachusetts State award for our Rock Garden. Officials of the Brockton Fair agreed that it was the finest thing of its kind ever exhibited at the Fair grounds. The total area of this garden covered six hundred square feet.
